Request for a Final Oral Examination

Name of Candidate: ____________________________________________

Title of Dissertation: __________________________________________

The request for a final oral examination must have the written endorsement of the student’s full dissertation committee, under normal circumstances. By endorsing the request, you are certifying that you have examined the most recent draft of the dissertation, and that in your present judgment, the dissertation is acceptable to you as it stands, and requires no changes, with the possible exception of formal changes necessary to make it confirm to the University standards for format.
